- Graphics covering the Sarajevo/Zagreb FIRs are provided as a reference for NOTAMs to show changes missed for the 29NOV01 effective date.

- The program used to create the graphics has some limitations and some areas may contain text overprints that make portions of the information illegible.

- The graphics are for reference only and NOT SUITABLE FOR NAVIGATION.

- The following grid reference is provided as a key for each pdf file.

- The first file contains information for the Low Charts; the second has High Chart information.
